

VETERINARY CLINICAL ASSISTANT PROGRAM

Your love of animals could be a career!

Do you love animals? There is an emerging need for Veterinary Clinical Assistants (CVA) in private clinics, laboratories, animal hospitals, animal shelters and zoos throughout the Dallas-Fort Worth area. As the metroplex continues to grow, the number of pets are also increasing and this creates the need for caring and qualified Veterinary Clinical Assistants.

Let TCC show you the way to success!

This program teaches you the necessary skills needed to be relevant in today's veterinary world. This exciting program includes:

- Basic patient evaluations
- Techniques for managing veterinary patients during clinical visits
- Preparation and assistance with surgical procedures
- Knowledge to understand laboratory and pharmacology orders
- Workplace training with hands on experience

Program Information:

- HS Diploma/GED, a proficiency in English (reading, writing, speaking), at least 18 years of age and have a clean criminal record.
- Tuition and Fees: \$2,645. Financial Aid/Grants possibly available.
- Program Start: September 10, 2018
- Location: Crowley South Campus Center
